VICE PRIME MINISTER CABINET, MINISTER OF THE ENVIRONMENT

No.: SG2/816/04.02.2019

To: MINISTRY OF ENVIRONMENTAL PROTECTION OF SERBIA

Mr. Goran Trivan, Minister

Ms. Sabina Ivanović, Focal Point in Serbia for the Espoo Convention

Ref: project "Interconnection of the national Gas Transmission System of Romania with the similar Gas Transmission System of the Republic of Serbia; including power supply, cathodic protection and optic fiber"

Dear Minister,

According to Article 3 of the Espoo Convention we forward to Republic of Serbia the notification form for the project „Interconnection of the national Gas Transmission System of Romania with the similar Gas Transmission System of the Republic of Serbia; including power supply, cathodic protection and optic fiber”.

The notification form is accompanied by Presentation Report to obtain the environmental agreement for the project.

All the documents are sent to you in electronic format (CD) by post and through the Espoo Convention focal points by e-mail.

We take this opportunity to inform you that the Serbian response to the notification is expected until March 15th, 2019.

I am taking this opportunity to express our readiness to continue our cooperation and please accept, Mr. Minister, the assurance of my highest consideration and esteem.

Yours sincerely,

VICE PRIME MINISTER

MINISTER OF ENVIRONMENT

GRAȚIA-LEOCĂDIA GAVRILESCU
